

SANDY'S FROLIC

B♭ Solo cornet/
Conductor

E. SUTTON

A Wright & Round Archive from the Cornet Brass (and Military) Band Journal

This jolly "Scotch Medley," which is dedicated to the Bands of Bonnie Scotland, is intended to portray the "frolic" of Sandy, the typical Scotchman, on a "joy-day." If played jovially and humorously it will prove a popular Programme Speciality, on both sides of the Border.
